pangkarra

new pulses

order now for delivery in
 March

- Pangkarra chickpeas are grown in South Australia by farmers employing sustainable farming practices, ensuring the very best chickpeas for this product.
- chickpeas are soaked and cooked through a retort system (pressure cooking) ensuring a completely natural and preservative free process that ensures the product remains pure and healthy.
- low in fat, low GI, lactose free, high in fibre, high in protein, vegan friendly and naturally gluten free.
- chickpeas have a desirable crunch and delicious flavour that is superior to canned chickpeas, and are ready to eat and serve. Perfect for hummus, salads, curries and soups.

yes! I must have these. Please send me:
